GUIDELINES

- Project outcomes must align with furthering the purpose and aims of the organisation according to the Constitution for GFS Australia Ltd.
- Applications are to be submitted to the National Executive who will determine the level of funding to be applied. Whole/part funding may be granted.
- Grant monies are to be expended within the timeframe outlined in the application (usually 12 months). If the monies have not been expended within the specified timeframe monies must be returned to GFS Australia Ltd, or a new grant application submitted to the National Executive.
- At the project conclusion Diocese must submit a written report, addressing each of the stated outcomes, and a financial statement, detailing the expenditure of grant monies, to the National Executive.
